

Jialong Shi

Head of China internet and Media Research, Nomura

Jialong joined Nomura in October 2015 as Head of China internet research from Credit Suisse, where he covered mid-cap Chinese internet stocks. Jialong's team was a runner-up in China Internet research in the 2018 II All Asia/China poll, and he ranked the No 1 Earnings Estimator in the 2019 StarMine Analyst Awards in the Asia Interactive Media & Service category. Prior to Credit Suisse, Jialong worked at CLSA and Lehman Brothers as a research analyst in the China internet sector.

Before he joined the finance industry, Jialong was a college lecturer on ecommerce technology at a Chinese university and a part-time teacher at New Oriental School.
