

## Mr. CW Chung

Joint Head of APAC Equity Research  
Nomura

CW (Changwon) Chung is Joint Head of APAC Equity Research at Nomura. Based in Hong Kong, he is responsible for driving the growth and development of Nomura's APAC equity research franchise. Additionally, he directly oversees equity coverage of the Korea technology and semiconductor sectors. In previous roles at Nomura, he was head of equity research for Korea and led its APAC technology research team. Prior to joining Nomura in 2009, he was a technology/semiconductor analyst at Lehman Brothers. CW was ranked #1 semiconductor analyst in Korea in 2020 and 2021 by Institutional Investor. He has a bachelor's degree in biochemistry and an MBA from Yonsei University in South Korea.
