

**Dillon McNiven,**

Head of Instinet, Asia Pacific  
Head of Global Execution Services, AEJ  
Instinet Pacific Limited

Dillon McNiven is Managing Director, Head of Instinet, Asia Pacific. In this role, he is based in Hong Kong and responsible for implementing Instinet’s business strategies across the region. This involves ensuring the ongoing growth and development of Instinet’s platform, overseeing Instinet’s suite of Execution products, and advancing the offering to its institutional, hedge fund, quant, and broker dealer client base.

Dillon first joined Instinet’s New York office in 2009, and a year later, transferred to Hong Kong to help accelerate Instinet’s growth in the Asia Pacific region. He’s taken on increasingly senior responsibilities there ever since. Dillon is a graduate of Providence College.
