

Thomas Kwan

Chief Investment Officer
Harvest Global Investments

Thomas leads the investment management and research platform in Harvest Global Investment (HGI), including Fixed Income, Greater China Equity, Asian Equity, Global Real Estates, ETFs and asset allocation. He is also responsible for the group's strategic initiative on responsible investing at Harvest Fund Management (HFM) and leads an ESG research team for ESG integration and proprietary ESG analysis on both China A and overseas markets for the group.

Thomas joined HGI in 2012. He has over 20 years' investment management experience. Prior to HGI, he worked at Baring Asset Management in Hong Kong as Head of Asian Debt, Credit Suisse Asset Management in Singapore and Beijing as Director of Asian Fixed Income and Currency, Prudential Asset Management in Singapore as Investment Director and First State Investments in Hong Kong as Portfolio Manager.

Thomas has an M.A. in Economics and B.Comm in Finance from the University of Toronto and is a CFA charter holder.
