

Aditya Sehgal

Head of Capital Market Solutions,
International Wealth Management, Nomura

Based in Singapore, Aditya joined Nomura in 2020 and is responsible for driving the Capital Markets business for Equities, Fixed Income and Foreign Exchange. Under his leadership, the team is involved in providing advisory solutions and trading capabilities across the three product lines for cash and structured product/derivative transactions.

Prior to Nomura, Aditya spent 11 years in Deutsche Bank's Wealth Management business for APAC as a structured solutions specialist.

Aditya holds a Bachelor in Economics from Singapore Management University.
