

## Renee Lo

Partner CTO & Regional Director, Google

Renee is Google's APAC Regional Director for Partner Engineering & Strategic Partnerships. She leads a diverse team that spans industries and technologies across Google's cloud platform. She is responsible for channel strategy, partner sales/GTM, technical upskilling, solution build and delivery support for partners. In her 20+ years in the tech industry, she has held senior roles at Microsoft as the APJ General Manager for Data & AI, as well as various corporate leadership roles in product development, marketing, and business strategy & development. At Amazon, Renee built and led AWS's Southeast Asia Data & AI team, launched new Amazon.com services, and led global business development teams.

Renee holds a Computer Science degree from the University of British Columbia and an MBA from the University of Manchester. She is also a board member of a NASDAQ listed medical devices company.
