

Mr. Suanjin Tan

Senior Portfolio Manager, Asian Credit team
BlackRock's Fundamental Fixed Income Group

Suanjin Tan is a Senior Portfolio Manager in the Asian Credit team within BlackRock's Fundamental Fixed Income Group, with a focus on China and high yield credit. Mr. Tan is the lead portfolio manager for Asian high yield credit strategies, and named portfolio manager for the BGF Asia High Yield Bond Fund and the BGF China Bond Fund.

Mr. Tan rejoined BlackRock from a multi-family office in Singapore where he was the Chief Investment Officer. He also started the Fixed Income business at Thirdrock Group, an Asian external asset manager which has since been acquired by Schroder & Co. Prior to this, he spent 6 years with the BlackRock Asian Credit Fixed Income team focusing on both public and private credit investments. Before first joining BlackRock in 2010, Mr. Tan was the Head of Southeast Asia and a senior member of the China investment team at Citi Venture Capital International. He started his career as a corporate finance investment banker with Merrill Lynch & Co.

Mr. Tan has a MSc in International Relations from the S. Rajaratnam School of International Studies, Nanyang Technological University where he was awarded the Singapore Technologies Engineering Gold Medal as the most outstanding student, and a BSc in Economics from The Wharton School, University of Pennsylvania.
